3. Wrap shape C around the center of both and tape closed.

4. For a hair clip, slide a bobby pin through the back of the center piece, or glue to a hair clip. For a bow tie, slide a ribbon through the back of the center piece.

MY FORTUNES ARE SUPER ACCURATE. ENJOY.

Cut these out.

Next Tuesday, you'll realize that your entire existence is pointless.

Every risk you take this month will fail. So, you know. Go for it.

Don't bother being the change you want to see in the world. No one listens to you, anyhow.

Opportunity is knocking at your door. Wait. Nope. It had the wrong address. Too bad.

Favor the color blue today. It will help guide you into further sadness and despair.

Apathy is easier. Embrace it.

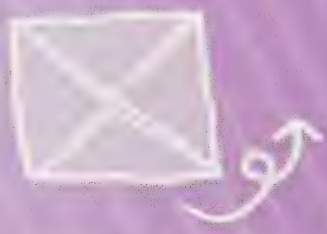
Fortune and great wealth will be yours next week. Hahahahahaha. I have the best jokes.

Right now, someone is thinking about you. And laughing.

# GRUMPY CAT DOESN'T LIKE FORTUNES

1. With the printed side on the back, fold in half horizontally, then unfold. Repeat vertically and diagonally.

2. Fold each corner to the center of the page.



3. Flip.

4. Repeat step 3.

5. Flip.

6. It should look like this.

7. Fold in half vertically, unfold.

8. Fold in half horizontally.

9. Place your thumbs and index fingers in each of the four pockets.

4. Spell out the emotion, and with each letter alternate pinching the device in and pulling it out to display all the odd numbers, then all the even numbers.
5. Once you've spelled the word, stop. Have your friend pick a number from one of the four visible.
6. Repeat step 5, this time counting with the number your friend picked.
7. Once you have reached their number, have them pick another number from those displayed. Fold back the flap of that number to reveal the fortune hiding beneath!

## HOW TO PLAY
(2+ players)

1. Shuffle cards and lay them out in a grid, backs facing up.

2. Decide who goes first, then the first player turns over two cards. If they match, keep the pair and go again. In the more likely scenario that they don't match, end your turn.

3. Flip the cards back over, but don't relocate them.

4. Continue until all matches have been found. Whoever has the most matches doesn't lose.

## HOW TO PLAY
(1 player variant)

Keep track of how many turns it takes you to match the cards. This is not recommended as a Tarot deck.

# GRUMPY CAT DOESN'T LIKE MOBILES

SCISSORS • TAPE • STRING

1. Cut out the strips. Starting at the starred end, design side up, fold back along the dotted lines, alternating folds back and forth like an accordian.

2. Once you reach the end, unfold everything, then reverse all of the straight folds. Unfold again.

3. Starting with the starred end, bend the strip so the single-starred edge meets the double-starred edge. This will create four sides of a six-sided, 3D shape.

4. Continue wrapping the paper beneath to complete the six-sided shape.

5. The paper will want to naturally wrap around this six-sided shape. Continue until you reach the end.

6. Tuck the final end into the fold beneath it.

7. Knot the end of a string, then tape inside the fold at the top of each shape. Hang in a doorway or attach to a stick.

# GRUMPY CAT DOESN'T LIKE ORIGAMI CATS

SCISSORS

1. Fold diagonally, design side out, with Grumpy Cat at the lower right.

2. Fold left and right corners to bottom corner.

3. Fold same corners up at the angle shown.

4. Fold left and right corners in.

5. Fold top corner down.

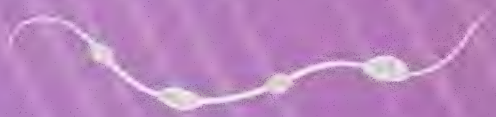
4. Seal the bead with clear nail polish. Let dry.



5. Now go make something grumpy!

YOUR FASHION SENSE IS TERRIBLE.

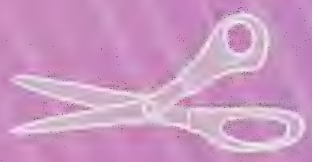
# GRUMPY CAT DOESN'T LIKE PAPER ROCKETS

SCISSORS • GLUE • TAPE • PENCIL • STRAW



1. Cut out all four shapes.

2. Apply a thin layer of glue to the back of one of the long sides.

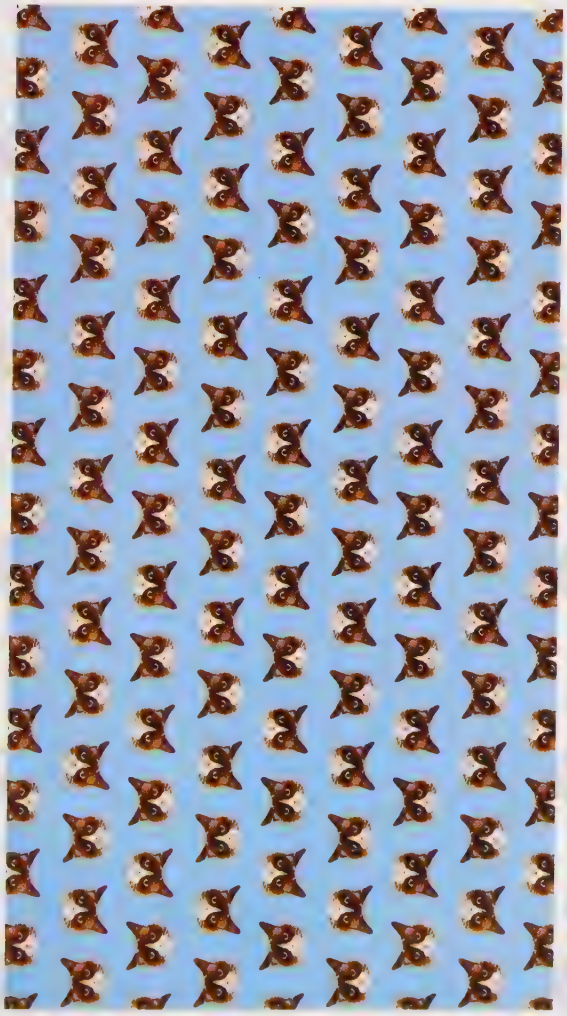
3. Starting with the un-glued long side, wrap around a pencil. Hold till dry

4. Slide one of the ends off the paper slightly, then tape it closed.

5. Remove from the pencil entirely and slide onto a straw.

6. Battle your friends for honor and glory

YES...
EMBRACE YOUR INNER GRUMPINESS AS YOU BATTLE YOUR FRIENDS WITH STUPID TOYS.



# GRUMPY CAT DOESN'T LIKE PAPER FOOTBALL

SCISSORS

1. Cut out the orange strip to the left. Turn the paper over so the design side is facing down.
2. Starting at the corner marked with a star, fold at the dotted line, and continue folding until you reach the rectangle block beneath Grumpy.
3. Fold down the corner beneath Grumpy along the dotted line and tuck into the pocket of the triangle.

## HOW TO PLAY

1. On a table with a staight edge, take turns flicking the Grumpy Football. Your goal is to get it as close to the edge as possible. If it hangs off the edge without falling, you get a TOUCHDOWN (one point). If it falls over the edge, your turn is over.
2. If you get a touchdown, you can try for a field goal. Have your friend form goal posts with index fingers and thumbs, stand the Grumpy Football up, and try to flick it through the goal posts for another point.
3. Decide how many points it takes to win. Best out of 47?

# GRUMPY CAT DOESN'T LIKE PARTY HATS

SCISSORS • TAPE • STRING

1. Cut out the hat below.
2. Roll the hat into a cone and tape the blue tab beneath the opposing side.
3. Tape two strands of string on the inside of each side of the hat.
4. Tie the string strands together beneath your chin.
5. Have a grumpy party!

# GRUMPY CAT DOESN'T LIKE PINWHEELS

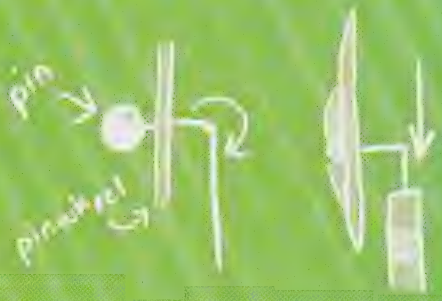
SCISSORS · BALL HEAD PIN · NEW PENCIL

1. Cut out the pinwheel, including along the white lines at each corner. Flip the paper over so the design is facing down.

2. Take one corner (with Grumpy Cat on the back of it) and bend towards the center, holding it in place so the dot on Grumpy's chest lines up with the dot in the middle of the page.

3. Repeat this with each corner that has Grumpy on the back, holding the corners in place.

4. Push the pin through the dots to affix the corners to the middle of the page.



5. Using a pair of needle nose pliers, carefully bend the needle at a 90 degree angle. Push the pin into the eraser of a new pencil.

6. Now blow your stupid little pinwheel like a child.

I WOULD SAY SOMETHING DEPRECIATING, BUT... THE SPINNING IS SO HYPNOTIZING.

# GRUMPY CAT DOESN'T LIKE LOVE CARDS

SCISSORS · CRAFT KNIFE · GLUE OR TAPE

1. Cut out both shapes to the right. The blue is the outside of the card, the pink is the inside of it.

2. Using a craft knife, cut along the white lines on the pink piece. Do NOT cut along the dark pink lines. Those are fold lines.

3. Gently fold the top four dark pink lines

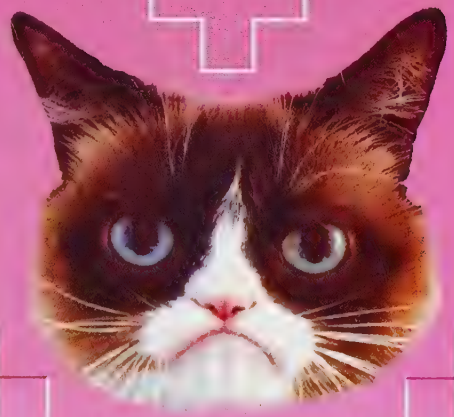
4. Slowly begin to fold the entire thing in half, design facing in; the heart should begin to push out slightly. Complete the fold and press down to crease.

5. Fold the blue piece in half now, design facing out.

6. Tape or glue the two pieces together, the pink one inside the blu one. Be sure to apply adhesives around the heart shape, not inside otherwise it won't pop up when opened.

JUST FOR THE RECORD... I WOULD NEVER SEND YOU ONE OF THESE.

I DON'T COMPLETELY HATE YOU. I GUESS.



I HOLD THESE FEELINGS I NEED TO CONFESS...

# GRUMPY CAT DOESN'T LIKE POP-UP CARDS

SCISSORS • CRAFT KNIFE • TAPE OR GLUE

1. Cut out the shapes to the right and Grumpy's face below. Slice along the solid lines in the middle of the inside of the card

2. Fold the inside card in half, design facing in, then open. Reverse the fold of the center sliced portion so it folds inside of the card

3. Glue the Grumpy Cat head to the base of the square pop-out

4. Fold the orange, outer card in half, design facing out.

5. Apply glue or tape to the back of the purple card (NOT on the pop-out portion) and put inside the orange card

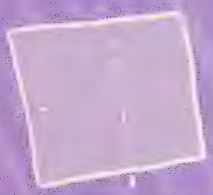
6. Write some grumpy one-liners in the chat bubbles

GREETING CARDS? I PREFER "LEAVE ME ALONE" CARDS.

CUT ME OUT

# GRUMPY CAT DOESN'T LIKE SPINNERS

SCISSORS · PAPER CLIPS



1. Cut out each individual square. Design side down, fold a square in half horizontally, then vertically.

2. Flip over, then fold in half diagonally, in both directions.

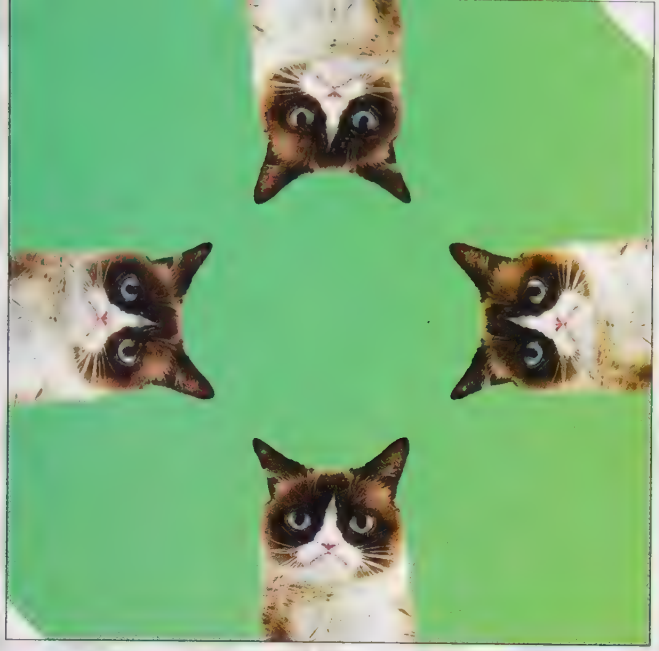
3. Flip over again and push in on each side to fold inwards; this will create a triangle shape.

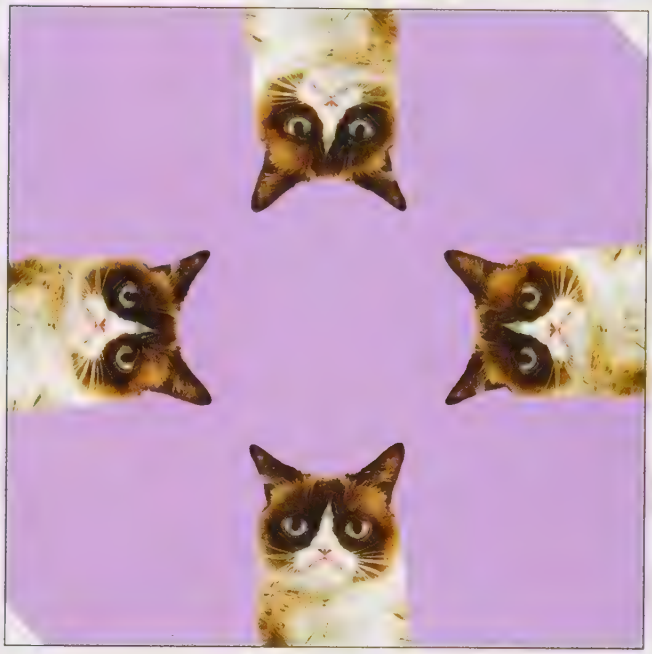
4. Each piece has two white corners. Slide the white corners of one piece into the solid coloured corners of another.

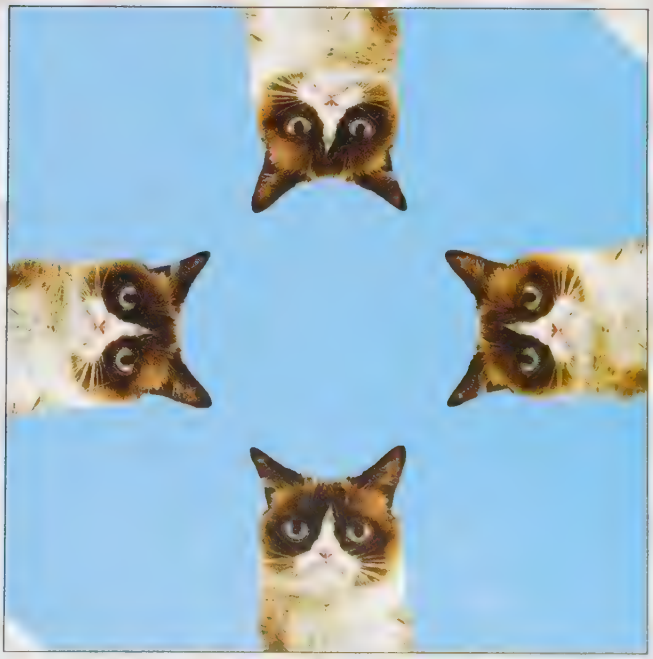
5. Secure with a paperclip.

6. Continue this process until you have connected all six pieces. No white corners should be showing.

7. Hold between your thumb and index finger and blow to make it spin.







# GRUMPY CAT DOESN'T LIKE 3D PAPER FIGURES

1. Cut out the three shapes. Bold lines indicate where to cut, dotted lines indicate where to fold.
2. Glue the tabs beneath their corresponding edge.

# GRUMPY CAT DOESN'T LIKE ORIGAMI STARS

*It takes a little practice to get these stars to take shape. You might want to practice on spare strips of paper first.*

SCISSORS

1. Carefully cut out the long strips.

2. Gently tie a knot at the end of one strip, allowing about a quarter inch tab. This will form a pentagon.

3. Flip over and tuck the tab into the fold.

4. Wrap the long strip over the pentagon. Continue wrapping the strip until it is too short.

5. Tuck the end into one of the folds. You may need to trim it slightly if it is a little too long.

6. Gently press the flat edges of the pentagon inward; this will cause the star to "inflate." Do the same with the last edge.

THE STARS ARE COUNTLESS AND DIVERSE. JUST LIKE YOUR FAILURES.

# GRUMPY CAT DOESN'T LIKE THROWING STARS

NINJA SKILLZ

1. Fold in half vertically to create a crease. Unfold, then fold the left and right sides to the center crease.

2. Fold in half vertically so the fold is on the right and the Grumpy design is facing down.

3. Fold the top corner down and the bottom corner up.

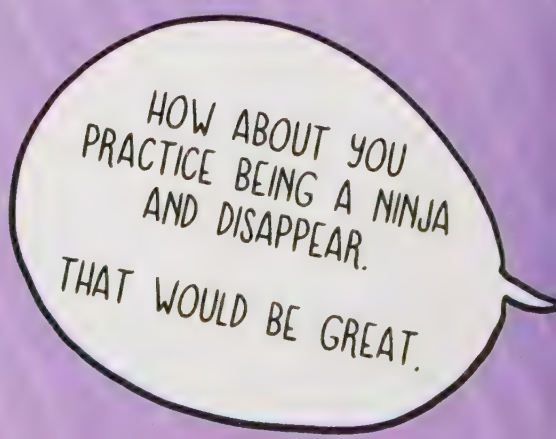
4. Fold the top portion down , and the bottom potion up as shown.

5. Arrange the pieces as displayed, with the blue piece design side down and the orange piece design side up.

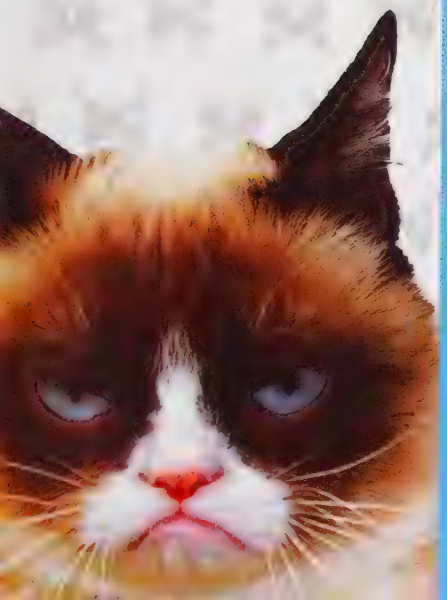
6. Fold the top blue corner down and tuck it beneath the orange flap. Repeat with the bottom blue flap.

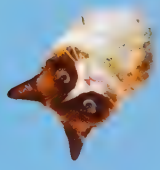
7. Flip over. As in the last step, tuck the orange corners into the blue flaps.

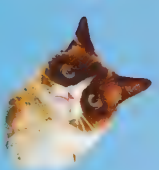
8. You are now a grumpy ninja!



Cut these out.







# GRUMPY CAT DOESN'T LIKE PLACE CARDS

SCISSORS

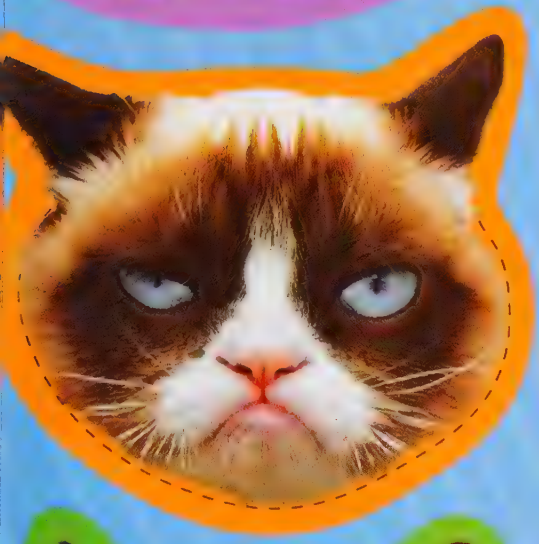
1. Cut out each place card.
2. Carefully cut along the pale solid line around Grumpy's ears.
3. Fold each card in half.
4. Throw a grumpy dinner party!

# GRUMPY CAT DOESN'T LIKE BOOKMARKS

SCISSORS • EXACTO



1. Cut out the grumpy heads.
2. Use an exacto to carefully slice along the dotted lines (starting just below the ears).
3. Slide onto your page to save your place so you don't forget it. Like an idiot.

Grumpy Cat hates just about everything, including papercrafts. Nevertheless, this book displays the furrowed-browed feline on several cut-out crafts that include bookmarks, door-knob hangers, masks, gift boxes, signs, paper chains, snowflakes, finger puppets, stand-up figures, origami of Grumpy's face, a mobile, a paper fortune teller, and other items.
